i. Quality of teaching for all

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review?
A. Improved social and mental well-being of pupils.	Staff training on mental health. The school is an accelerator school for CAMHS which develops the knowledge and support for staff and pupils. A member of staff has a TLR for mental health across the school. A teaching assistant works every afternoon to support the needs of our vulnerable pupils..	We want to invest some of the PP in longer term change which will help all pupils. Two members of staff will be mental health champions to work with staff and pupils in the school. One TA is appointed to work with pupils in small group and on a 1:1 basis. We believe that if we raise the self- esteem and confidence of our pupils, they will have a more positive mindset for learning and make more progress.	Courses selected using evidence of effectiveness. Use INSET and twilight days to deliver training. Peer observation of attendees' classes after the course, to embed learning (no assessment). Observations of staff working with pupils. Review pupil premium provision maps each term Measure the impact of support on the children who receive it through entrance and exit assessment	SLT	Jan 2020 April 2020 July 2020
