

## **Raeburn Primary governors objectives – ideas for 2021-22**

### **1. To further increase governors' understanding of the work of the school, and in particular the areas on which they are committee members. E.g....**

- The programme of governor year group partnership visits
- Staff talks / presentations at governing body meetings
- Attend SLT meetings termly and/or review minutes (Chair, others?)
- Attend other meetings – SEN, pupil progress etc?
- undertake training related to specific areas of committees they are a member of
- mentor system to link new governors with experienced ones?

### **2. Develop (or resume?) engagement between governors, school, pupils, parent/carers. E.g.**

- governor/class/year group links and visits
- Governors' visits to school at other times, including attendance/ engagement at parent/carers evenings, assemblies and other school events.

### **3. To ensure all staff are provided with opportunities for relevant professional development. E.g.**

- Through the review of the Performance Management reports, particularly in relation to recommended and requested CPD;
