## Spanish at Raeburn Primary School

Intent			
High Expectations	Modelling	Vocabulary	Inclusion
<p>All children at Raeburn are expected and able to make substantial progress throughout KS2 in understanding and responding to spoken and written Spanish and to communicate increasingly effectively both in speaking and writing.</p> <p>We follow a 'low threshold, high ceiling' approach. Where children need adaptations and scaffolding, this is put in place so progress is enabled for ALL learners.</p>	<p>Teachers teach the skills needed to succeed in Spanish by using a range of teaching materials. These include native language clips, puppets, lots of repetition strategies and a range of written materials. Teachers begin each session by revisiting prior knowledge with the intention of embedding 'sticky knowledge' and promoting overall fluency in Spanish. Lessons use collaborative learning strategies to support learning and overall confidence before children record their learning independently.</p>	<p>We create an oracy and vocabulary rich environment. Our Spanish curriculum fosters our children's understanding in recognising patterns and sounds, which helps them to engage in conversations using accurate pronunciation of the building blocks of Spanish language. Every unit of work focuses on developing children's understanding of and confidence manipulating Spanish phonics, grammar and vocabulary. This is so that they can speak with increasing confidence, fluency and spontaneity and so that they can adapt known phrases to create their own and express their written ideas clearly. Progression of Spanish phonics, grammar and vocabulary is highlighted on the termly planning grids (attached below).</p>	<p>Spanish lessons throughout KS2 are designed using a multisensory approach and the needs of all children are supported. Where necessary, additional support or resourcing is put in place to ensure equal outcomes for all. All children are expected to take part in the lesson through scaffolded support or adaptive teaching.</p>
Knowledge and concepts	Skills	British Values	Cultural Capital
<p>The building blocks of language: <b>phonics, grammar and vocabulary</b></p> <p>Speaking Listening Reading Writing</p> <p>Please see the termly planning grids below for detailed information relating to Spanish knowledge and concepts covered in KS2.</p>	<p><b>Understand</b> and respond to spoken and written language from a variety of authentic sources</p> <p><b>Speak</b> with increasing confidence, fluency and spontaneity, finding ways of communicating what they want to say, including through discussion and asking questions, and continually improving the accuracy of their pronunciation and intonation</p> <p><b>Write</b> at varying length, for different purposes and audiences, using the variety of grammatical structures that they have learnt</p> <p>Discover and develop an appreciation of a range of writing in the language studied.</p>	<p>British Values are integral in all areas of our curriculum. Each classroom has a display and when elements of British Values are addressed in Spanish lessons, these will be discussed with the children.</p> <p><b>Democracy:</b> Spanish lessons promote a culture built upon freedom and equality, where everyone is aware of their right to participate in activities and responsibility to ensure a happy, safe and secure learning environment.</p> <p><b>The Rule of law:</b> Children understand the need for rules in Spanish lessons to ensure a happy, safe and secure environment in which to learn.</p> <p><b>Individual Liberty:</b> Children have the freedom to make their own choices when creating their own sentences in Spanish, using word mats and dictionaries to support their choice of vocabulary.</p> <p><b>Tolerance:</b> Children show respect and value others' ideas and beliefs when talking about Spanish culture.</p> <p><b>Mutual Respect:</b> Children appreciate that we do not all share the same values, but we respect each other all the same when talking about British and Spanish cultural aspects of life.</p>	<p>Children understand how Spanish lessons are linked to the wider world.</p> <p>Children value learning another language and can explain why learning other languages is important.</p> <p>Children are exposed to different voices, perspectives and cultural experiences within Spanish lessons.</p> <p>Children are exposed to cultural capital through engaging lesson topics, learning language they can use on holidays to Spanish speaking countries and literature such as 'One Third Stories'.</p>

Implementation		
Curriculum(concepts, knowledge and skills)	Reading across the curriculum	Vocabulary
<p>We deliver a scheme of learning that meets the National Curriculum requirements issued by the DfE. Spanish lessons are delivered to children in KS2 by the class teacher, with an allocation of 60 minutes every other week. The children develop a range of language learning skills and subject specific vocabulary during their lessons and they build upon their prior learning, recapping each week so that the children's knowledge is secure. Spanish planning ensures the development of all four key skill areas (listening, reading, speaking and writing) and planning is sequenced to promote progression in terms of the building blocks of language: phonics, grammar, vocabulary. Focus in Years 3 and 4 is given to word level development and developing confidence in spoken Spanish language. Whereas, Years 5 and 6 are introduced to a greater degree of text level written work and independent language learning, such as using dictionaries to research new vocabulary. Teaching has a focus on collaborative structures to promote the engagement of all pupils and is appropriately adapted to support the progression of all learners at Raeburn. Staff have the opportunity to develop and upskill their own confidence in Spanish language and language learning strategies with the support from a Spanish specialist.</p>	<p>Children have the opportunity to sound out and blend new Spanish words using flashcards. Stories are used to unlock the knowledge, skills and concepts of our Spanish curriculum and there is the expectation that reading is a component of every lesson. Children engage with the stories within their Spanish unit, or through our use of The One Third Story packs.</p>	<p>Spanish vocabulary is revisited and recycled across the year groups, in order to achieve a high degree of 'sticky knowledge'. Key vocabulary is present in all KS2 classrooms, through the use of displays. Staff also make use of opportunities to include our studied language into our daily routines e.g. registers.</p> <p>The building blocks of language (phonics, grammar and vocabulary) are shared with staff and children through the termly planning grids (attached below).</p>

Inclusion	Assessment	CPD
We have high expectations of all children and expect them to make progress and access lessons. Spanish lesson planning uses a multisensory approach and adaptive teaching and scaffolding are used to support learners.	Teachers monitor the impact of Spanish language learning through formative and summative assessments. This assessment covers all four key skills of reading, writing, speaking and listening and the curriculum is regularly reviewed to match the needs of the children .  The combination of in class assessments and end of unit summative assessments are used to inform an end of term judgement of pupils' attainment (recorded on Sonar).	In class support from a Spanish specialist. Termly planning and progression of skills managed by subject lead. Subject specific language videos produced by subject lead to support staff fluency. Bank of videos relating to language teaching and learning techniques available for and accessed by all staff. Feedback from SIA Deep Dive. National College.
Monitoring	Whole School/Parental involvement	Cultural Capital
Subject leaders create a robust monitoring system including pupil voice, walkthroughs, staff voice, book looks, peer-peer mentoring and CPD. Subject leaders have an opportunity to regularly meet with SLT regarding their subject. SIA Deep Dive took place in October 2022.	Raeburn's 'Frase de la Semana' is shared weekly on Twitter. #RaeburnPrimaryFraseDeLaSemana At least one half termly sharing of books and classwork through open classrooms or parent/ teacher meetings.	Children learn to appreciate and understand a range of cultures. Children show respect for different faiths and cultural diversity.
Whole school displays		All KS2 classrooms have a Spanish working wall display where key vocabulary is placed. All KS2 classrooms display a set of key instructional language flashcards. This language is used frequently in Spanish lessons. Subject lead ensures the whole school display in the computing suite is updated termly to share examples of learning from each year group. Subject lead ensures the whole school phrase of the week display is updated weekly. .

Impact			
Pupil Voice	Evidence in Knowledge	Evidence in skills	Outcomes
Evidence collected from pupil voice-  Children talk enthusiastically about their Spanish learning and look forward to their Spanish lessons. They enjoy learning new vocabulary and some children talk of their excitement at using their language skills when they go on holiday to Spanish speaking countries.	Children are able to understand and correctly utilise subject specific vocabulary. With increasing confidence, fluency and precision children can manipulate vocabulary to create their own sentences. Termly planning grids ensure coverage and progression in all skills relating to Spanish. This includes the building blocks of language learning. The use of 'sticky-time' in all lessons ensures that knowledge is embedded and fluency developed.	Children are able to understand and correctly utilise subject specific vocabulary. With increasing confidence, fluency and precision, children in KS2 are able to speak, write, listen and read in Spanish. They have a year group appropriate level of grammatical knowledge that they can apply to vocabulary in a variety of topics. Children can use Spanish language to speak and write at a level that provides a solid foundation for further language learning at secondary school.	Children make substantial progress from their starting points across KS2. Children talk confidently about their learning.

## **Spanish at Raeburn- Lesson Structure**

### **Hola Buenos Días Song**

All Spanish lessons across KS2 start with the 'Hola Buenos Días' song to signal that they are now going to learn Spanish.

### **Sticky-Time**

Revise and review previous learning. Make links to previous vocabulary and knowledge from previous lessons/units/terms/years.

Focus on using key questions and use of class Spanish puppet to model unknown answers and engage children.

### **Introduction of new topic / vocabulary / question**

What will we be finding out in the lesson and how does this link to what the children already know?

Use of repetition strategies with flashcards, class puppet, whiteboard resources etc.

### **Whole Class Reading / Listening Activity**

Opportunities to explore new phonics, grammar and vocabulary, use this language in context and develop fluency.

### **Collaborative Activity**

Activity to further develop children's confidence in using new language and opportunities given to extend learning.

### **Application**

New knowledge is deepened through application of specific language skills.

This could be a spoken, listening, reading or writing activity. Evidence is recorded in a dedicated Spanish book. Spoken language is recorded and evidenced in year group folders on Google Drive.

### **Reflect/ Reinforce**

What did we learn today?

What was new and where might our learning head next?

### **Adiós Hasta Luego Song**

All Spanish lessons across KS2 end with the 'Adiós Hasta Luego' song to signal that the Spanish lesson is coming to an end.

**Raeburn Spanish Reading Spine**  
**One Third Stories**

**What are One Third Stories?**

One Third Stories are a set of stories books and related activities that complement our languages curriculum at Raeburn. At the heart of One Third Stories is their Clockwork Methodology™ – a unique approach to language learning that gradually introduces children to new words and phrases through beautifully illustrated stories.

Their story boxes build children’s confidence in the four key language skills – listening, reading, writing and speaking – and do it in a uniquely engaging and effective way.

In their native language, children are constantly reading or hearing words that they don’t understand – but they use clues from the context to figure out what they mean. One Third Stories ‘Clockwork Methodology’ works in the same way, exposing children to new language in familiar contexts alongside useful illustrations.

Research shows that children are much better at learning and retaining language when it’s introduced in a context that sparks their imagination. Stories are especially powerful in this respect, with readers’ desire to find out “what happens next” ensuring that their minds are fully engaged. In this way, One Third Story boxes are a great way to instil our children with a lifelong love of languages.
