In April 2013, the Government announced new funding of £150 million for physical education (PE) and sport. The funding should be used to improve the quality and breadth of sport provision. Funding has been allocated to all maintained and state-funded schools with primary phase children from 1st September 2013. The funding arrangements for 2017-2018 are broadly similar to that of 2016-17.

Raeburn Primary School has been allocated £19, 610 for the year 2017-2018. We will use the funding in the following ways:

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	83%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	83%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	83%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No- we wanted to send the 11 children who had not achieved NC standard in Y6 for an extra block of swimming however the pool was fully booked meaning this could not happen. Funding allocated elsewhere as detailed below.
