

SPRING TERM

We have had a busy term of sporting achievements this Spring, with great performances in a number of sports and increased participation in many events. All of the children represented the school fantastically and we are very proud of their achievements. Well done!!

Cross-Country

The cross-country season continued to bring success for Raeburn. The first race of 2019 started in true cross-country style, with rain, rain and more rain! Children braved the cold, mud and wind at Arrowe Park once again, with the boys' team bringing home another set of medals! Conditions improved for the penultimate race at Higher Bebington Fields. A tough and tiring course but Raeburn pupils continued to shine. A special mention must be given to Sam and Ellie (both Year 6) who came away with medals for 8th place and resilience. The excitement built during the final race, my favourite, when Raeburn broke the top three in the relay event. It was a superb performance from every runner in the team and a thrilling way to end the season. Well done to all athletes in Y4, 5 and 6 for their commitment and enthusiasm all season!

Yoga Bears!

The yoga bug continued to spread across the school with our before school 'Yoga Bears' club opening up to Year5&6 and F2 this term. Children had a positive experience with the fabulous Helen and have made excellent progress. During Children's Mental Health Week in February, Helen led yoga and mindfulness sessions for every class in the school. This was to strengthen the link between physical and mental health and to promote our belief that a healthy mind + a

healthy body = a happy life! Letters have gone out this week for the Summer term sessions; Thursdays will be open to all of KS2 and Fridays to all of KS1.

Football

A huge well done to our Y2 football team who represented Raeburn for the first time in the LFC Cup! The team of boys and girls played phenomenally well, representing our school in style! After winning their group they went on to finish 2nd overall, beaten in the Golden Cup final by last year's winners. Exciting things to come for these footballers! This event will be available for F2 and Year 1 to enter in the Summer term!

Cricket Lessons

Graeme Rickman, Wirral's Development & Coaching Officer, delivered more fun cricket lessons to Year 5 back in January. We are so grateful for this opportunity and hope to maintain this valuable link. Keep your eyes peeled for a Y5/6 Kwik Cricket tournament next term! Children in KS1 who fancy getting involved with cricket should check out the 'All Stars Cricket' programme which is available at a range of local venues. (Letter to follow)

A special mention to all the staff and parents and carers who continue to support our children in their events! We look forward to more sporting success and enjoyment at Raeburn next term.

Wishing you a wonderful Spring Break,

Miss Asher!
