Digital technology:
We strongly advise against children bringing digital devices into school for safeguarding reasons, however where it is necessary to have them in school, children should hand their device in to the school office at the beginning of the day. They must then collect it at the end of the day. No devices are allowed in bags and pockets etc. Whilst we will endeavour to look after such devices that are left in the office, Raeburn Primary School will not accept any responsibility for the loss or damage to any digital devices that are brought into school.

All belongings MUST be clearly labelled with the child's name
